Happy Easter from Staff at the WHA!

VRV going GREAT!

The first of 4 phases are right on schedule and if you haven't seen it yet, you can't believe the change.

Resident Advisory Meeting

A meeting will be held with the members of the Resident

Advisory group on April 16th, at noon at the Joslin Office. The purpose is to discuss the policies and make any recommendations to our Annual Plan to be submitted to HUD in July of 2010. Any interested tenant of the WHA can call the office to join the group.

Green Island INSPECTIONS

Green Island inspections will be hld April 22nd for all 13 apartments

We have a Web site
WatervlietHousing.org
Check us out!

Announcements

2010

Help keep our homes clean!

Please pick up papers, rake around your apartment and parking lot, remember it's YOUR home and a reflection on you and us.

Thank You!

Attention All Hanratta Tenants

The emergency pull cords located in your apartments are not directly connected to the Fire Department. When pulled, the cords sets off an audio and visual alarm to notify neighboring tenants that you need help. If you hear or see these alarms call the Fire Department or 911 immediately. The responding emergency personnel will follow the alarm to the apartment of the tenant in need of assistance.

“Turn your enemies into friends by doing something nice for them.”

Tenant Commissioner Elections

Every two years tenants of the Watervliet Housing Authority vote for two of the seven Board members. The City Council of Watervliet appoints the other five.

Elections for Tenant Commissioners will be held on **June 11th**. A list of eligible tenants will be posted on the bulletin board at the office. Errors appearing on the list must be made

known to the office not less than 60 days prior to the election. Nominating petitions for tenant members will be accepted at the office no earlier than March 3rd and must be re-

ceived by April 7th, 2010. Nominating petition forms can only be obtained at the office.

Roberta Gilson of the Day apartments and Regina Warner of the Quinn apartments are the current tenant commissioners and are

running again along with Darline

Quinlivan of Hilton Apartments. Any questions, please contact Matt or Mary Clinton for more information.

Around the WHA...

Don't forget?

Don't forget you must have a working smoke detector in your apartment. There must be one on every level and in each bedroom. Report any problems to the office immediately.

Let's Play Ball ...

At the park that is. Baseball is not to be played in the courtyards. Please report anyone who is violating this rule. The next window broken could be yours and you will be responsible for the repair.

Clotheslines

Clotheslines are the responsibility of the tenant. Children have been known to pull on these lines, which can cause them to break or worse. To prevent children from playing with your clothesline get some rope and attach rings or hooks to each end. When you are done, unhook the line and take it home until the next time you do laundry.

Report Repairs

Report anything that needs to be repaired immediately. Waiting can make the problem worse and result in more costly repairs. **DO NOT TELL A MAINTENANCE MAN, REPORT ALL PROBLEMS DIRECTLY TO THE OFFICE.** We have a message service at night to record work orders. If you called in a work order, tell your children so they aren't surprised when the maintenance men come to do the repairs.

Waterbeds

Waterbeds are allowed only if you have tenants insurance that will cover any damage that may be done by the waterbed to Water-vliet Housing Authority property. The policy should be brought to the office so a copy can be placed in your file.

Education Opportunity Center Info

The school directs students and families to the Educational Opportunity Center in Troy at 145 Congress Street (273-1900). The EOC is linked to the GED program at HVCC (www.hvcc.edu/eoc) Questions are also answered at 629-HVCC

Spring Clean-Up

Spring is here and when the snow melts everything looks dirty. Please help by raking and picking up papers. By raking and cleaning up the spring flowers bloom more easily. Let's all help make a good impression. If you need rakes call the office. Remember it's your home, so keep it clean!

2010

Things you should know...

2010

Page 4

Kids Get Depressed, Too

Depression is a serious condition that occurs in children as well as adults. Would you recognize depression in your child? Would you know what to do about it?

Checking for depression should be a routine part of your child's annual exam, but it may be difficult for a doctor to discover it during that brief time you need to know the signs:

- Frequent sadness or crying
- Hopelessness
- Recurring physical symptoms such as headaches or stomachaches
- Increased irritability or anger
- Fascination with violent games
- Low self-esteem
- Causing trouble at school
- Weight loss or gain

If you suspect depression, speak to your child's doctor, who is there to help. If depression is diagnosed, medication and therapy may be recommended. Make sure your child has a well visit every year and watch for signs of depression. If your plan includes mental health benefits through United Behavioral Health, call UBH at 1-888-320-9584 or go to www.liveandworkwell.com for more information and help find a mental health professional.

Come hear the music!

"Coffee & Cookies with Emma"

On April 18th at 3pm Emma Torncello will play the piano for our Seniors in the Hanratta Community room.. Emma asked if she could play and of course we said yes. We hope you enjoy her performance.

HEAR YE! HEAR YE!

New freedom is coming.

The City of Watervliet has been awarded a grant to purchase a small bus to provide a route thru Watervliet and Green Island that will be accessible to all residents and people with disabilities. This will give all Watervliet and Green Island residents the ability to frequent the many amenities and businesses the cities have to offer.

This will not be an on-call service, but a regular bus route with scheduled stops as does the CDTA.

We will have more information in the coming weeks about the route, the starting date, the time schedule and the cost to ride. We are very excited about the New Freedom transit service because it will prove beneficial not only to the residents of Watervliet and Green Island it will also benefit the many of the business too. Watch Vliet's own TV Station Channel 17 and read the Watervliet Housing's newsletter for any new information we have to share with you.

WHA teams ups with Verizon to combat domestic violence

We all know domestic violence is a problem! But did you know that most calls police respond to are related to a domestic violence issue? This is not just in housing but the entire city as is in most cities. It is no joke! WVLT's mission is to promote educational programs that will help educate our residents on ways to improve the quality of life. We recently applied to Verizon for a grant to help educate on ways to avoid domestic violence problems. We received \$3,500 to help our station work more on this topic and if anyone is interested in helping, please let us know.

Troy Housing Authority tenant charged with grand larceny

TROY — A tenant at the Troy Housing Authority was charged with grand larceny after he allegedly did not disclose about \$3,800 in income. The tenant was arrested by deputies after a joint investigation between the Housing Authority and the Rensselaer County Sheriff's Office. The tenant was charged with third-degree grand larceny, a felony.

Don't let this be you! Please be sure to report all income to the Tenant Relations Office.

Christmas Decorations

Please be sure all Christmas Decorations are taken down and stored until next winter. Staff will be around within the next few weeks to clean out the flower beds and prepare for spring.

Hilton Window Kit Improvements

Contractors will soon be entering your apartment to make improvements to the windows in your bathrooms. The contractors will be installing some new tile and a new vinyl trim kit around the window.

Quinn Deck Repair

This spring contractors will begin replacing the deck boards on the porches of buildings 1,2,3 and 4 at Quinn. The repairs are anticipated to take a few days for each building, but the contractors will move as quickly as possible. The replacements will be made on both the front and rear porches, as well as the rear stairs.

2010

Around the WHA...

2010

Page 6

Spring Cleaning

Cleaning of windows is here. If you are a senior and you need help, call the Office and ask for a referral. If you need your windows cleaned and don't know how to remove them, call the office and someone will be glad to show you. It beats paying for a damaged window. Also if you install an air conditioner you MUST put a 2x4 under the unit to protect the storm window.

Shopping Carts

Shopping carts are once again causing a problem. Yes, they are offensive to look at around the site but even more important is the potential harm that they could cause to children playing on the property.

All carts should be returned to Price Chopper. Anyone violating this policy will be charged the time and cost to get rid of the cart.

Grease Fire

We again had another grease fire in an apartment. The tenants were lucky that it was put out quickly with the fire

extinguisher. The fire was caused by cooking with grease on the stove. Be very careful, keep the stove clean and especially the pans and the surrounding cabinets. Once it catches it spreads quickly. Never, ever leave the stove unattended, not even for a minute and never have your children cook with grease.

Satellite Dishes

A law allows residents to install satellite dishes on patios or balconies or inside their apartments. It still bans them from installing satellite dishes in common areas outside their apartment. The law also allows owners and managers to continue to impose reasonable restrictions on residents' installation of satellite dishes, allows owners and managers to continue to ask residents for refundable damage deposits of several hundred dollars or require residents to purchase liability insurance to cover potential damage, such as drilling into firewalls, or personal injury when installing the dishes. Watervliet Housing requires dishes NOT to be installed in the front of any building, it cannot be visible from the street and you must submit a \$100 deposit for its installation. It cannot violate fire and safety codes.

Source Professional Apartment Management, Oct 2001.

Grocery Shopping

Did you know that Price Chopper has a bus that picks

up seniors every Tuesday morning at 8am and takes them to the Latham Price Chopper. It's free and even if you don't shop it's a chance to get out for a while. For more information contact the office or be in front of the Quinn Community room or in the lobby of Hanratta.

Moving Out?

Information that you need to know before you leave the Housing Authority

1. GIVE PROPER NOTICE TO VACATE. Resident must give proper notice to vacate, as required in the lease.

5. FILL IN HOLES IN WALLS AND DOORS. Resident must fill in all nail holes and other holes in walls and doors.

2. PAY ALL RENT DUE. Resident must pay all rent and other charges, fees, and amounts due and owing to Owner by the date of move-out.

6. REMOVE ALL DEBRIS AND DISCARD. Resident must remove all garbage and debris from the apartment and discard it.

3. LEAVE APARTMENT WITH NO DAMAGE. The apartment must have no damage beyond ordinary wear and tear. Ordinary wear is any kind of damage or deterioration to the apartment, fixtures, linoleum, tiles, walls, windows, blinds, or appliances that naturally occurs over the useful life of the item, but was not caused by excessive or unreasonable use and treatment by the residents and occupants. Ordinary wear and tear does not include damage caused by resident's negligence, misuse, or abuse of the apartment.

7. REMOVE ALL BELONGINGS. Resident must remove all belongings from apartment.

8. SCHEDULE AND COMPLETE PRE-MOVE-OUT INSPECTION.

Resident must contact management to schedule a pre-move-out inspection before resident's move-out date.

9. RETURN KEYS. Resident must return all keys.

10. LEAVE FORWARDING ADDRESS. Resident must leave management a forwarding address for the return of Resident's security deposit and other necessary correspondence.

4. CLEAN APARTMENT.

Resident must thoroughly clean the apartment before move-out, including but not limited to, such items as kitchen appliances (including stove, oven, and

refrigerator); bathroom fixtures and tiles; closets; balconies; and floors.

2010

For your information...

2010

Day Basements

The basements for all Day apartments must be kept clean. They can't be used for living areas due to both housing and building code regulations. Keep all smoke detectors and lighting in proper working order. Don't let tragedy happen to you or your loved ones because you didn't take care of your areas.

Health Care Proxy What is it and why should we have one?

That's simple. It makes sure your wishes are carried out in the event of a major illness. Everyone says they are going to but keep putting it off. It's like a will. Don't wait till the last minute. If you ever need one, your health care provider can help you or you can always pick one up at the office or go to our website and click on forms. For more information you can visit the website at <http://www.health.state.ny.us/nysdoh/hospital/healthcareproxy/about.htm>

Attorney General Andrew M. Cuomo

Smart Seniors Presentation:

You are invited to attend a presentation on consumer frauds

Hosted by:
**Cohoes/Watervliet
Housing Authority**

Presented by:
Maurice Padula

Be a smart senior! Learn how to protect yourself from fraudulent activities, such as identity theft, counterfeit checks, phony sweepstakes, internet scams and investment fraud. Learn about your rights and how the Attorney General's office can assist you.

Open to the Public

McDonald Towers
19 Remsen Street, Cohoes, NY 12047
Monday, April 12, 2010 - 10:00 A.M.

Thinking about quitting smoking?

Call the New York State Smokers' Quitline: 1-866-NY-Quits (1-866-697-8487) or www.nysmokefree.com Whether you're thinking about quitting or ready to quit, call the NYS Smokers' Quitline for help and support.

- Free counseling with a trained quitline specialist
- Free NRT starter kit, if you're eligible
- A Quit Kit for quitting smoking
- Referrals to your local stop smoking programs

When the urge to smoke strikes, remember the 5 D's:

- Delay the urge to smoke, it will pass.
- Drink water to fight off cravings.
- Do something else to distract yourself... walk, call a friend, clean a closet.
- Deep breathe, it will relax you.
- Close your eyes and take ten deep breaths.
- Discuss your thoughts and feelings with someone close to you.

PC's for Kids Program

If your son or daughter is attending school or college and doesn't have a home computer,

give the office a call. We are getting donations of older but usable computer parts and then reassembling them into computers for children in the housing authority that need them. It will be on a first come first serve basis, with the older children receiving priority. There is no excuse now not being connected. This is the opportunity of a life time to have such a valuable tool in this very "Tech Valley" world. **Don't wait, call us now.**

Live-In's

There is no way to say it but it's simply FRAUD. Having someone stay at your apartment and not reporting it is fraud. Many think that "THEY" don't live there because they get mail at some other place, or they still say they live with their "mom", when in fact they haven't seen their mom in months. Staying in the apartment for more than 3 days and not reporting it is living there.

**Quinn
Tenants now have
FREE internet**

Crime hurts the whole family.

Crime hurts victims AND their loved ones. Family members of crime victims can also suffer loss of income, fear and anxiety, and stress-induced physical problems. If you or someone you love has been hurt by crime, there is help. **Please call us.**

What's going on?

Will your child be ready for Kindergarten?

Every child learns and grows at their own inner pace, but have you ever wondered what your child may need to know as

he/she enters his/her first year of school?

Below is a list of skills you may want to help your child develop before you send them off to their first day of Kindergarten. Teaching these skills to your child will give them the solid foundation and the confidence they need to be successful at school.

- Recognition of upper and lower case letters.
- Recognition of numbers 1-20.
- Counting in sequence 1-20.
- Ability to sing the alphabet.
- Ability to write first and last name.
- Ability to identify the Title of a book.
- Scans and moves finger from left to right across sentences in children's books.
- Recognition of several colors.
- Recognition of several shapes.
- Begins to write sight words (Stop, Cat, Dog).
- Can dress self.
- Begins organizational skills (put papers in folder etc.).
- Can express self in words when upset instead of crying.
- Can resolve conflicts with peers using words.
- Knows phone number and address.

If you need a trash can call us!

Smoking? Still after all you read? Are you in denial?

Think smoking isn't affecting your health? Think again. Smoking reduces life expectancy by 15 to 25 years. It is the single most preventable cause of death. Why are you still puffing?

Special note on pets

Our computer system now keeps track of your pet's shots and if the dog licence expires. You will receive two notices before they expire. After the second notice you will receive a notice to vacate. It is important that your pet has the proper shots and care all in accordance with the WHA pet policy.

Need health insurance?

Are your children covered?

If you feel that you might qualify for health insurance call 462-7040 to find out more. If you presently don't have insurance call now!

Please don't waste energy!

It's getting warmer so naturally everyone wants to open their windows, so please remember to turn down your thermostats and radiators. We all pay for the waste, one way or another.

2010

For Your Information...

2010

Are food stamps for you?

Have you ever wondered if you might be eligible for food stamps? Legal Aid can help! Legal Aid now has a program to help you find out if you might be eligible, help you apply and make sure you get the proper amount of food stamp benefits.

The average household benefit in New York State is \$178 per month! Food Stamps Make America Stronger! To find out if you might be eligible call the Legal Aid Society at (518) 462-6765 ext. 327. This is an equal opportunity provider. Prepared by a project of the Nutrition Consortium of NYS, USDA/FNS, NYSDOH and NYSOTDA.

Why I should wear a helmet?

- Head injury is the leading cause of death in bicycle crashes.
- 75% of all bike-related head injuries occur among kids 14 years old or younger.
- More kids ages 5-14 are seen in emergency rooms for injuries related to biking than any other sport.
- Bicycle helmets can reduce the risk of head injury by 85% and brain injury by 88%.
- Every year there are over 600 bike deaths directly related to head / brain injury.
- The typical bicycle crash with a car occurs within 1 mile of the bicyclist's home.

Keeping Women Healthy

Two simple annual tests can help detect cervical cancer and chlamydia before they cause lasting damage. Have you had yours this year?

The Pap test samples cells from the cervix for abnormalities and ensures that you're not at risk for cervical cancer. This is one of the most common cancers in women, but annual Pap smears have cut the risk dramatically. A DNA test that checks for precancerous strains of human papillomavirus can be done at the same time, increasing the test's usefulness according to a 2007 study by Canadian researchers.

The doctor can also conduct a urine test or a culture swab of the cervix to test for Chlamydia, the most common sexually transmitted disease in the U.S. It is a particularly bad condition because it often has no symptoms and can lead to infertility.

Important Info...

Financial Exploitation & Abuse of Seniors What to Do About It

On Wednesday, April 22 at 11 a.m. at the Hanratta Community Room representatives from Equinox will be making a presentation about Elder Abuse. The presentation is about 30 minutes long but is well worth your attendance. This is open to anyone having senior friends, relatives or parents. They will discuss the following topics:

- Respect and honor our elders
- Report suspected abuse, neglect or mistreatment
- Reach out for help in obtaining services

If you know an elderly person who is being harmed NOW, please call emergency--call 911

For more information, contact Equinox 24 hour hotline 518-432-7865

celebrating 40 years of community service

Energy Conservation Again Top Priority

The Watervliet Housing Authority and Siemens Building Technology are working on a series of energy conservation measures to make your homes more comfortable and lower our energy costs.

New light fixtures, an energy management system, new hot water tanks that are more energy efficient, weather stripping for doors and caulking of windows and a host of other items.

You will be receiving more information on these various improvements. All of these improvements benefit both the authority and you our residents.

2010

2010

Page 14

Don't Block the Halls

During recent inspections at the Edwin Joslin Apartment Complex we noticed several tenants had their hallways full of personal belongings, blocking an entrance way. All tenants should please be aware that blocking an apartment entrance way is a serious fire code violation. Please be sure emergency personnel can easily gain access to both of your entry doors. Remember, in the event of an emergency time is of the essence.

Hanratta Security

At a recent meeting some tenants voiced their concern about people freely roaming the hallways and being let into the building. As you know there is no door person to open and monitor the doors. It is up to every tenant to let in ONLY those they know. Don't be embarrassed by not letting someone in because they say they are going to visit someone else. Have them ring the doorbell of the tenant and let that tenant let them in. Please if you know of someone not following this procedure, let us know and we'll talk to them and explain the potential hazards of letting in unwanted individuals.

Soup Kitchen

In these very difficult economic times the Immaculate Heart of Mary Parish has started a Soup Kitchen located in the lower level of St. Patrick's Church. The kitchen is open every Monday from 3:30 to 5:30pm. Please feel free to visit the kitchen and not only enjoy their great food but the great company as well.

Pet Policy Reminder

As all tenants should be aware the Watervliet Housing Authority has a pet policy that all tenants are asked to abide by. This policy clearly states the rules which the tenant must follow in order to be a pet owner.

In the recent months we have found many of our residents are clearly not following the policy, we are finding multiple pets, non registered pets and we are finding a large number of cats being allowed to roam in and out of apartments. This is not fair to the tenants who are following the rules and have to deal with the mess an outdoor cat makes.

We realize that sometimes a cat can get out of an apartment accidentally but it is not OK to let them out even for a little while. Please be aware that any cats that we find outside roaming the property will be caught and taken to the animal shelter as a stray.

If you have a pet and do not have a signed, updated pet policy on record at the office, and do not have a security deposit for your pet you could be at risk for a 30 notice to vacate. **Is this worth losing your apartment over?**

Seniors: Watch out for fraud

Senior citizens are especially vulnerable to certain types of crime and fraud. Although those that are at least 65 year old account for only 13% of the U.S. population, this age group represents 30% of the scam victims. This presentation gives seniors the information they need in order to help protect themselves from becoming victimized. Such information includes:

- Consumer fraud can happen at local stores, with any service provider, over the phone, through the mail and increasingly over the Internet.
- Being informed and understanding our rights concerning consumer protection is the best weapon to protect our loved ones, and this presentation by Attorney General Cuomo's office provides critical information. We encourage seniors to take advantage of free tools to aid in vigilantly protecting yourself e.g. Do Not Call Registry, Opting Out of Pre-approved Credit Offers, Obtaining credit reports only through www.annualcreditreport.com, etc. Scam artists are masters of conceit so you want to be armed with knowledge: It is illegal for any lottery, sweepstakes, or loan providers to ask for any payment from you, including taxes or processing fees, before you collect your winnings. Debt settlement companies may end up hurting your credit rating through their practices, even though they claim the contrary.

And if you have been defrauded, the Attorney General's office will explain what can be done to right the wrong. Attorney General Cuomo's office has been fighting for New Yorkers on this front, including:

- Fuccillo East Greenbush case involved deceptive practices as cars that were former rentals were sold as something much better.
- Going after a New York City apartment broker for bait and switch schemes on Craigslist.org that bilked 4,000 New Yorkers out of nearly \$1 million dollars;
- And his office regularly investigates companies based on consumer complaints from forums just like this.
- GE Dishwasher Case in which commercial accounts were reimbursed for defective units, while consumers were not.

The Watervliet Public Library needs your VOTES!

From April 1st to April 30th please visit the Pepsi Refresh Project at <http://www.refresheverything.com/> to vote on our grant proposal "Save Our Public Library: Enrich Lives". We are seeking \$50,000 to update our reference & non-fiction collections, expand & improve our physical space, replace our... outdated public access computers, improve customer service, & add quality programs & services.
