

West Point Middle School STEM Workshop

For 6th and 7th grade students
at West Point
25-28 May 2015

This unique middle school program offers students the opportunity to participate in hands-on science, technology, engineering, and mathematics activities taught by Academy faculty and cadet mentors.

Join us to experience fun and learning at the Nation's first school of engineering.
Registration will be open

10 Feb – 10 Mar
