Litterbugs Beware

Anyone found littering in the Watervliet Housing Authority will be responsible for picking up their own trash as well as anyone else's that is found in the area. Please put trash in its proper place.

Range and Refrigerator Care

Kitchen appliances should be thoroughly cleaned on a regular basis. Greasy and dirty appliances are a fire hazard and can attract unwanted pests for which you will be held responsible. Don't forget to clean the stove hood and fan to keep them free of grease.

Safety is Number

One to Us & Should be to You

Report any problems to the office immediately. The electrical outlets in your bathroom and kitchen are called GFI's. They protect you against electric shock. If your outlet isn't working, push the reset button. If it still won't work it may be your appliance. Call the office. Also, report site lights that are out immediately.

Laundry Rooms

The laundry rooms at Joslin and Hilton are available to all Watervliet Housing Authority tenants. Tenants can use the facilities for \$1.25/load. Tokens for Quinn can be bought at the office. If you use Joslin or VRV, you can get a laundry card at the office. We do ask that if you use the laundry facilities to please clean up after yourself. It only takes a minute to throw away an empty container or a used laundry sheet.

Spring Has Sprung

Please help by raking and picking up papers. If we all pitch in we can make our homes something we can be proud of.

Help Conserve Water

- Report all water leaks or drips no matter how small.
- Do not use the hose to clean sidewalks.
- Don't let children play untended with hoses.
- Keep swimming pools filled with a lower amount of water to reduce the amount of water splashed.

If you need anything notarized, please see Matt or Mike at the WHA Office.

Remember, smoking is not allowed within any of the WHA common areas - you can be evicted if found doing so.

Direct Deposit Banking

Seniors receiving monthly checks should consider direct bank depositing. This prevents social security payments from getting lost in the mail. Call your bank for more details.

Special Note to Quinn Tenants

As you know, you NOW need to put your garbage in a trash can. We have ordered some trash cans with wheels to make it easier for you to bring out your trash. If you would like a can we'll swap the can for you.

Tenant Fraud Tips

Don't be a victim of fraud!

Call the Attorney General's hot line number at 1-800-771-7755

Do not leave behind any credit card or ATM receipts.

Limit the number of credit cards and other items with personally identifiable information that you carry.

Guard your social security number-avoid carrying your Social Security card or other cards with that number

Sign your credit cards as soon as you receive them. Also, cancel all inactive accounts.

Memorize ATM numbers and keep them secret.

Tenant Insurance. Make sure you are covered!

Tenant insurance is the best \$50-75 you can spend a year. In case of fire or water damage, you risk losing everything. Call your insurance agent for more information.

Safety Begins at Home

- Park your car in well-lit areas, report any site lights out immediately to the office.
- Teach your children the importance of calling 911.
- Lost your keys? Report it immediately to the office. Locks can be changed very quickly.
- Use the intercom-Seniors can see who is at the door before letting anyone in your apartment.
- Check throw rugs for tripping hazards like bumps and turned-up corners.
- Check for proper lighting on and around stairways.
- Use night lights in the bathroom and hallways.

Outside “stuff” – move it

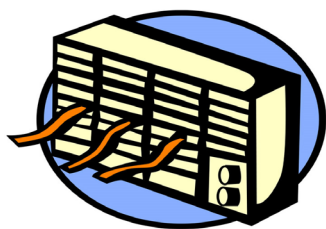

Since the weather is getting nicer, everyone wants to sit outside. If you have “stuff” outside like furniture, swings, and tables for example, you need to know they will be moved when it’s time to mow. Please make sure everything is out of the way for our mowers. Also, please make sure all garbage cans and bins are on the concrete slabs provided for them, NOT the lawn.

In recent inspections, we have found that many of our tenants have been burning incense within the apartment. The burning of incense in any apartment is prohibited.

Incense causes problems, such as soot build up all over the walls. Soot build up is very difficult to clean off the walls and can damage the walls permanently.

Is Your AC Ready for Summer?

- Turn the AC on before you need it to make sure everything is working properly.
- Clear the area around your AC so that nothing is blocking it in any way.
- Make sure the air filters are clean. Check and clean them regularly - replace them if needed.
- Be sure to put a board underneath so that the AC is not laying on the frame of the window.

Attention Hilton Tenants

You can gain access to the basements to reset your circuit breakers by asking the seniors living in the apartments for access.

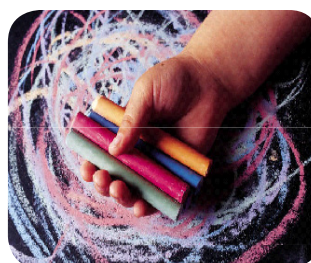

Put Butts In Their Place

Cigarette butts on the ground are disgusting and unsanitary. Please put cigarette butts in their place.

Pet Rules

Don’t tie your dog to the porch railing. Why? Many times the dog is found unattended. When children try to pass by it can scare the children, and for that matter even adults. Please be considerate.

Chalk on Buildings

In the past, there has been a lot of chalk drawings on the sidewalks and buildings at various sites.

Although it may seem innocent, chalk drawings on the buildings are prohibited. Please be sure to ask your children not to use chalk on the buildings.

911 system

If you need to call the Police or Fire Department for help, call 911. **DO NOT CALL THE OLD NUMBER, 270-3833.** Only call the 270-3833 number for general information when you can wait to get a return call back. You will need to leave a message and someone will get back to you as soon as possible.

Battery Recycling Program

The Watervliet Housing Authority has a household battery recycling program. This program can help avoid the improper disposal of hundreds- or even thousands- of pounds of batteries leaking hazardous wastes into our soils. The housing authority uses nearly 1000 batteries each year for all of our battery operated smoke detectors, and we will be sending those back and felt that opening it to the city residents was the right thing to do. It will cost a few extra dollars and if the program gets too large, we'll seek outside funds to help support the program. Residents can drop off batteries at any of our maintenance shops, main offices, and we're soliciting businesses that may want to participate and we'll add them to our list below as they notify us.

Please tape the positive ends of the battery before you drop them off to the Housing office.

Attention Hanratta Tenants:
The front lobby channel has changed. It can be viewed on channels 95.1 and 1390.

Troy Waterfront Farmers' Market

Summer Season starts in May. It is open from 9:00am to 2:00pm every Saturday. The summer market is located on River Street in Troy. They are accepting Debit and EBT Cards - tokens are available at the Market Table.

Attention Van Rensselaer Village Tenants:

We have noticed that many of our tenants have been storing their garbage in front of, and behind their apartments instead of walking it to the dumpsters. This is very unsightly, and it violates your lease. If garbage is found by your apartment, it will be removed at the tenant's expense.

Head Start

If you're looking to sign your children who will be 4 years old on/ or before December 1, 2018 up for the 2017-2018 school year, contact Tasha Pringle at 463-3175 ext. 105.

Have You Started Your Spring Cleaning Yet?
If not, here are some tips that may help:

- Wash your windows using Windex and paper towels.
- Dust shelves, blinds, light fixtures, etc.
- Wipe the dust off of your computer and TV.
- Vacuum your carpets.
- Swiffer/mop your floors.
- Wipe down the kitchen countertops.
- Clean out and wipe down the refrigerator. If there are some tough stains, many say that putting toothpaste on them gets it right up.
- Flip your mattress. You should do this every season, it helps with getting a better nights sleep. Also, change sheets and blankets out with ones for warm weather.
- Clean your bedroom pillows. Whether they are made of natural fibers or synthetic, most are machine washable.

May is Melanoma/Skin Cancer Detection & Prevention Month

- Skin Cancer is the most common type of cancer in the US
- UV rays from the sun is the main cause of skin cancer
- UV rays can also come from tanning booths or sunlamps
- The most dangerous type of skin cancer is melanoma
- Adopting good skin habits like wearing sunscreen and limiting your time in the sun can help prevent skin cancer

Attention High School Seniors Heading to College

Are you a high school senior graduating and attending college this fall? Do you need a laptop? If you said yes to both of these questions, help is on the way. We have purchased laptops that we want to donate to graduating high school seniors

living in Watervliet Housing or on Section 8. We know that college isn't cheap no matter how much aid you may get, so we're trying to make it easier for our college-bound students. It is FREE as long as you attend one full year of college.

Our office is constantly seeking financial assistance from various organizations and we wanted to share our success with you. Call the office now for more details.

Memorial Day Tribute

For the past several years we, at the Watervliet Housing Authority, have taken on the project to recognize our city veterans via our own TV channel. Nowhere in the entire United States has this been done to our knowledge. This unique tribute is by far the best way to honor our veterans. We currently have over 1700 veteran photos on DVD that lasts over 4 hours. Our staff takes the time out of our very busy day to scan and return photos to anyone who drops off a photo of their loved ones. Don't miss this tribute the week of Memorial Day. Don't wait, call our office for more info. If we don't have your military photo, get it to us today!

THE HISTORY OF MEMORIAL DAY

The American tradition of Memorial Day began approximately a century and a half ago, when two Civil War veterans saw a woman and her two children decorating the grave of a fallen soldier. Their gift of blossoms moved the two veterans so greatly that they decided to decorate more graves with flowers.

From that humble beginning, a great tradition was born.

On May 5, 1868, Gen. John A. Logan, commander in chief of the Grand Army of the Republic, ordered that the 30th day of May be designated "for the purpose of strewing with flowers or otherwise decorating the graves of comrades who died in defense of their country during the late rebellion."

For many years. "Decoration Day," as it was called at that time, was celebrated as a day for Americans to remember those who lost their lives in service of their country. In 1882, the name Decoration Day was changed to Memorial Day, and in 1971, Memorial Day was declared a national holiday to be held on the last Monday of May every year. National observance is marked officially by the placing of a wreath on the Tomb of the Unknowns in Arlington National Cemetery.

Please join our City in honoring our veterans on Memorial Day, May 29th with a parade which starts at the Watervliet High School at 10am.

MEMORIAL DAY
